**Approval of May 24, 2022 Minutes (Attached)**

- The minutes from the May 24, 2022 meeting were approved as presented with no opposition.

**Business**

**Financial Information – Teresa Giles (Attached)**

- Ms. Giles presented the Lowndes County Board of Health’s Revenue and Expense Summary
- The largest change to the budget was in revenue. Lowndes will no longer need to take the \$125,000 projected to balance the budget.
- Both prior year fees and Grant-in-Aid revenue increased.
- The budget was also revised to reflect the \$5,000 salary and fringe rate increases, which averages \$8,605 per person.
- The fund balance is the best it has been with six-seven months in operating expenses available.

**Public Health Updates – William R. Grow, MD, FACP (Attached)**

- Dr. Grow informed the Board of the tremendous decrease in COVID cases and deaths, including hospitalizations.
- No counties in Georgia are at high transmission levels as of September 27, 2022 and DPH is waiting guidance regarding masks, etc. Staff and patients are still required to wear them in clinic areas.
- Bivalent COVID vaccinations are still available.
- Dr. Grow introduced Lauren Robinson, emergency preparedness director, who provided an update on Hurricane Ian.
  - Ms. Robinson provided the hurricane’s projected track across the state and provided information about how the district is preparing for potential impacts to the area. This includes emergency staff being sent out to the local emergency operating center.

- Chairman Slaughter indicated there are no shelters designated to open at this time but non-Red Cross shelters may open.

**(Lauren Robinson leaves the meeting at 12:21 p.m.)**

- Dr. Grow invited the Board to the November 4, 2022 Legislative Breakfast. The event will be at the District Office and begins at 8:30 a.m.
- The Board was informed of a potential legal matter that would require an executive session if more detailed information is received.

**Nurse Manager's Report – Kim Davis, RN (Attached)**

- Ms. Davis reviewed health department services and indicated an increase in services across all programs.
- COVID vaccinations are now available as a clinic service. Bivalent vaccines are available for all age groups.

- COVID test kits are available to the public and may be picked up at the front desk.
- Monkeypox vaccine is available at Lowndes for those who qualify.
