Dr. Mark Eanes is a board-certified ophthalmologist who has practiced in Valdosta, GA for 37 years. In addition to being on staff at South Georgia Medical Center, other past **medical affiliations** include the clinical faculty at Medical College of Georgia, Veterans Administration Hospital; and credentialed to practice medicine by the Peruvian Ministry of Defense.

He received his undergraduate degree in biology from Valdosta State University. His **medical degree, medical internship and ophthalmology residency** were completed at Medical College of Georgia, Augusta, and his **MBA for Physician Executives** at Kennesaw State University in Kennesaw, Georgia.

He has served in many **leadership roles locally**, including Lowndes County Board of Health since 1993, chairman since 1994. As an active staff member of South Georgia Medical Center since 1986, he has served on many committees and held several positions, including Chairman of the Executive Committee and Chief of Staff. He has been involved in community organizations such as Leadership Lowndes, Boy Scouts of America, YMCA sports programs; and he has been a member of two school boards. He has also served as President of the VSU Alumni Association. Dr. Eanes has been involved in local not-for-profit organizations, including serving on the boards of The Mailbox Club and Options Now (crisis pregnancy center) where he has twice served as President of the Board of Directors.

Leadership on a state level includes many positions in the Georgia Society of Ophthalmology, serving as president in 1996-97. He has been on the Board of Directors of the Medical Association of Georgia, including the MAG Council of Legislation. He is currently on the Board of Managers and Finance Committee of Live Oak Accountable Care Organization (ACO) and has held key positions in the South Georgia Physician Network. He chaired the Board of Directors and served as interim CEO of South Georgia Health Partners (MCO) and has been involved in the South Georgia Medical Society, Georgia Health Decisions, Medical Resource Network, South Georgia Physician/Hospital Organization and Georgia Society to Prevent Blindness.

Because of his **compassion for the poor and impoverished populations**, Dr. Eanes established Heaven In Sight Missions in 2006, which has provided humanitarian relief in at least 16 developing countries around the world, serving in many of these countries multiple times. Heaven In Sight occasionally partners with other nation-wide organizations to further impact the under-served.

Dr. Eanes now considers the opportunity to help the under-served population locally a privilege, and he is looking forward to the contribution he can make to improve the overall health of Georgians, building upon the tremendous foundations of the passionate staff and leadership of South Health District.
